

Geometrie definiert mit CAD / geometrie defined with CAD

Biegeradien max. Blechdicke / Bending radii max. Sheet thickness  
Toleranzen nach / Tolerances according to DIN EN ISO 9013 – 1 (Lasern)  
Toleranzen nach / Tolerances according to DIN 6930 – m (Stanzen / Biegen)  
Schweisstoleranzen nach / welding tolerances acc. to DIN ISO 13920 B  
gratfrei, trowalisiert / free of burrs, rotofinished  
galvanisch verzinkt / electrolytic galvanized

part or assembly has to be RoHS conform
