

Part Name: PIPE Unit of Measure: EA  
Demarcation: HYDRAULIC  
Characteristics: 36.5 MPa, Ø35X5

**Part Identity**

Domain	Part Number	Design Stage	Version	DCN	Status	Release Date
VOE	53207310	P	03	78985WC	Released	2023-03-02

**Part Data**

Material	Multiple Materials
Surface Treatment	Painted Y 600-3, STD 121-0001
Surface Requirement Coating	Surface Class 3, STD 120-0014
Surface Requirement Base Material	Not Applicable
Colour	Volvo CE Yellow 5001, STD 121-0007

Weight(kg)	Accuracy	Purchasing Reservation	Branding Required
3.74	CAD	None	None

**Environmental Content Reporting**

Applicable substance list: GADSL Prohibited (STD 100-0005)

Expected reporting level: Manual reporting

Update requested at: One environmental content report is expected

**Change Description - Part**

Attribute	Description of Change
Design Stage	P was B
Surface Treatment	Painted Y 600-3, STD 121-0001 was Painted, VCE 5751,51
Weight	3.74 was 3.712
STRUCTURE	Position 1, 54227390 was 15034143

**Part References****Drawing**
