

Geometrie definiert mit CAD / geometrie defined with CAD

Biegeradien max. Blechdicke / Bending radii max. Sheet thickness  
 Toleranzen nach / Tolerances according to DIN EN ISO 9013 – 1 (Lasern)  
 Toleranzen nach / Tolerances according to DIN 6930 – m (Stanzen / Biegen)  
 Schweisstoleranzen nach / welding tolerances acc. to DIN ISO 13920 B  
 gratfrei/ free of burrs,  
 galvanisch verzinkt / electrolytic galvanized

part or assembly has to be RoHS conform

		S235JR / W.Nr. 1.0037		part of assembly has to be revised somewhat
