

Part Name: PIPE
Demarcation: HYDRAULIC
Characteristics: 31 MPa, Ø25X3

Unit of Measure: EA

Part Identity

Domain	Part Number	Design Stage	Version	DCN	Status	Release Date
VOE	53512363	P	02	78985WC	Released	2023-03-02

Part Data

Material	Multiple Materials
Surface Treatment	Painted Y 600-3, STD 121-0001
Surface Requirement Coating	Surface Class 3, STD 120-0014
Surface Requirement Base Material	Not Applicable
Colour	Volvo CE Grey 5002, STD 121-0007

Weight(kg)	Accuracy	Purchasing Reservation	Branding Required
1.391	CAD	None	None

Environmental Content Reporting	
Applicable substance list:	GADSL Prohibited (STD 100-0005)
Expected reporting level:	Manual reporting
Update requested at:	One environmental content report is expected

Change Description - Part

Attribute	Description of Change
Design Stage	P was B
Weight	1.391 was 1.393
